## **1 NAME**

1.1 The name of the association is the:

"NEW ZEALAND DEERSTALKERS ASSOCIATION INCORPORATED"

and in this Constitution referred to as the "**Association**". The Association is commonly known as the 'NZDA' or 'NZDA Inc'.

1.2 The Association was incorporated under the Incorporated Societies Act 1908 (the "**Act**") on the 31<sup>st</sup> day of July 1939.

## **2 REGISTERED OFFICE AND CONTACT OFFICER**

2.1 The registered office of the Association is:

'Deerstalkers House', 3 Collina Terrace, Thorndon, Wellington

or at such other place as shall from time to time be determined by resolution of the NZDA Board.

2.2 The Chief Executive or, if the role of Chief Executive is vacant, the National Secretary is the "contact officer" of the Association and all correspondence may be addressed to the contact officer.

2.3 In accordance with the provisions of section 111 of the Act, the Chief Executive or, if the role of Chief Executive is vacant, the National Secretary shall notify the Incorporated Societies' registrar in writing of any change in the situation of the registered office.

## **3 PURPOSE AND OBJECTS**

3.1 The fundamental purpose of the Association is to:

- (a) ensure the traditions of recreational hunting and the rights of recreational hunters in New Zealand are protected, advanced and advocated for in the best interests of sportsmen and sportswomen; and
- (b) be the national body in New Zealand representing and advocating on behalf of recreational hunters.

3.2 The objects of the Association are:

- (a) the preservation, encouragement and advancement of the sport of recreational hunting, bushcraft, shooting and the like (together, the "**sport**") and to provide facilities for same;
- (b) the formation, preservation, support, encouragement and advancement of incorporated Branches of the Association;

- (c) the facilitation of consultation between recreational hunters, for arbitration between individuals and/or Branches on matters under dispute, and the settlement of all questions referred to the Association;
- (d) the protection of the rights and interests of recreational hunters and their sport, and the repression of any abuses in connection with recreational hunters or their sport;
- (e) to make rules, policy, regulations and codes of ethics necessary or desirable in the best interests of the sport or the Association, and publish and enforce the same;
- (f) to gain representation, where desirable, on public bodies or organisations whose functions or objects are deemed of importance to, or affecting the Association or recreational hunters' interests;
- (g) to encourage and assist with the formation of other organisations deemed necessary or desirable in the interests of the sport and outdoors recreation generally;
- (h) the fostering of interest in native flora and fauna and their conservation;
- (i) to strenuously oppose commercial exploitation of New Zealand's wildlife, public lands, and natural resources wherever and whenever such activity is deemed to jeopardise, exclude, restrict, or conflict with public usage of, or access to New Zealand's wildlife, public lands or natural resources, or where commercial exploitation is contrary to sound conservation practice or the interests of the sport or recreational hunters' interests; and
- (j) to do all such other things as may be necessary, incidental or conducive to the attainment of the Association's fundamental aims, purpose and objects, Policy, Code of Ethics, and Field Guidelines.

#### 4 ORGANISATION OF BRANCHES

- 4.1 The Association is divided into branches by locality, each incorporated in accordance with the provisions of the Act (each a "**Branch**"). The Branch is the base organisational unit of the Association, and is constituted of a group of persons, in a defined geographic area, to achieve the purpose of the Association in their location. The Association may establish a 'virtual' or 'online' Branch.
- 4.2 Branches promote the purposes and objects of the Association through undertaking activities, projects, and advocacy within its area of interest and, as appropriate, in association with other members, Branches, Association staff, and local communities.
- 4.3 Branches are accountable to the Association and shall operate in a way that enhances the reputation and standing of the Association.

- 4.4 No new Branch may be formed and affiliated to the Association unless approved by the NZDA Board. The NZDA Board must seek the opinions of immediately affected neighbouring Branches before giving its approval.
- 4.5 The rules or constitution of a Branch (and any amendments or alterations) must first be approved by the NZDA Board to ensure the terms are not inconsistent with this Constitution, provided that this provision does not apply to a Branch amending its rules in order to disaffiliate. The winding up or liquidation clause of all Branch rules or constitutions must provide for the distribution of any surplus funds to another Branch or the Association or any like-minded society or not-for-profit organisation.
- 4.6 Each Branch must be administered by a committee which shall consist of at least a Chairperson or President, Secretary, Treasurer and such further members and officers as may be decided by the Branch members all of whom must be elected at an annual meeting of the Branch or subsequently co-opted by the committee (the "**Branch Executive**"). All Branch Executive members must be members of the Association.
- 4.7 Any Branch without rules or a constitution is deemed to be bound by and subject to the terms of this Constitution.
- 4.8 Any member of the NZDA Board and the Chief Executive have the right to attend at all or any meetings of any Branch, provided reasonable notice is given.
- 4.9 Any group of persons applying to form a Branch or otherwise affiliate with the Association shall forward to the National Secretary and Chief Executive, together with an application and a copy of its proposed rules or constitution, the sum of the then applicable capitation fee multiplied by the minimum number of members required by the Act to incorporate a society (for example, 10 members multiplied by \$75.00 of capitation equals a sum of \$750.00). In the event of the application being granted that sum shall be applied towards payment of capitation. If it is declined, then the same shall be returned to the applicants.

## 5 CONTROL OF BRANCHES AND THEIR MEMBERS

- 5.1 Each of the following constitutes a "**breach**" for the purpose of Rule 5.2, being if a Branch:
  - (a) acts in such manner which is contrary to this Constitution or brings the Association into disrepute;
  - (b) is unable, neglects to, or refuses to, pay the capitation fee or any mandatory levy payable to the Association;
  - (c) is unable to pay its debts when due;

- (d) is managed, operated or controlled in a manner contrary to the decisions of Conference or the NZDA Board or contrary to the rules, purpose, objects or ethics of the Association; and
- (e) is dormant.

5.2 Subject to paragraph (f), when a breach occurs:

- (a) The NZDA Board may, by notice in writing which sets out sufficient detail, require a Branch to remedy a breach and require actions or steps (or cessation) be taken by a Branch.
- (b) The NZDA Board may invite all or any of the members of the Branch Executive to step down and retire as an officer, as the case may be.
- (c) Subject to Rule 5.2(d), the NZDA Board has, in its sole discretion, the power to take control of the affairs and finances of the Branch while the breach is subsisting, or direct the Chief Executive to do so, and may conduct the Branch's business on the terms and conditions, and for so long as, the NZDA Board deems reasonably expedient or until the breach ceases.
- (d) The NZDA Board may, following a vote of 2/3<sup>rds</sup> of the NZDA Board, commence steps to control (including to wind up and liquidate a Branch following a vote at Conference) the Branch, provided that where the NZDA Board steps in pursuant to this Rule it shall act as custodian for the Branch's members pending settlement of matters in dispute to the satisfaction of the NZDA Board. Prior to any vote being put to step in and control a Branch, the Branch is entitled to send two delegates to state their case before the NZDA Board, except for breaches of Rules 5.1(b), (c) or (e). If the breach is not remedied or capable of remedy on reasonably satisfactory terms acceptable to the NZDA Board then (following an affirmative vote) the NZDA Board can assume control of the Branch.
- (e) If a breach is not remedied by a Branch or if the requested members do not retire as an officer, the NZDA Board may suspend and disaffiliate the Branch as a branch of the Association for any period up to the concluding day of the next Conference and may submit the question of its expulsion and formal disaffiliation from the Association to that Conference. The Branch in question has the right to submit evidence and provide an explanation on its own behalf, restricted to two delegates (either verbally or in writing) so appearing or submitting. The reason(s) for the Branch's suspension and any supporting evidence must be given to the Conference (either verbally or in writing) by no more than two members of the NZDA Board so appearing or submitting. If, following a vote of 2/3<sup>rds</sup> of the Branches present at Conference, the Branch may be disaffiliated and its members cease to be members of the Association.

**(f) (Dispute resolution for Branches):**

- (i) For a breach of Rules 5.1(a) or (d) or when a Branch 'refuses' to pay capitation (excluding if it is 'unable' to or 'neglects to' pay capitation) under Rule 5.1(c), prior to the NZDA Board taking any action or step or exercising any powers under the Rule 5.2(c), (d) and/or (e), if such a breach or dispute is not resolved by discussion between the disputing parties, the dispute or breach may be referred by the Branch to mediation at any time, by notice in writing to the National Secretary. Such a notice may only be delivered following good faith negotiations pursuant to subparagraph (ii) below and must be delivered to the NZDA Board by no later than 5 days after such a negotiation concluding.
- (ii) The disputing parties shall actively and in good faith negotiate to achieve the speedy resolution of any breach which may arise between them concerning any matter arising under this Rule 5.
- (iii) If a dispute has been referred to mediation then the disputing parties shall endeavour to agree on a mediator and shall submit the matter in dispute to the mediator. The mediator shall discuss the matter with the disputing parties and endeavour to resolve it by agreement between the disputing parties. The disputing parties shall each bear their own costs in the mediation, and shall each pay half the costs of the mediator.
- (iv) The mediation must be concluded by no later than 21 working days after commencing, and at which time the NZDA Board can (at its discretion) exercise any powers or rights or take any action permitted under this Rule 5.

**5.3 (Member Disputes and Complaints):**

- (a) The control and discipline of individual members is primarily the responsibility of a member's Branch but, if any individual member or members make a complaint, behave in a manner contrary to the purpose and objects or Code of Ethics of the Association or are guilty of any act, conduct, disorder or neglect which brings the Association into disrepute, and if the relevant Branch fails to deal adequately with such member or members, the NZDA Board may direct the Branch to carry out any desirable action. If the Branch refuses to act or neglects to act within 1 month of receiving a request then the Branch is deemed to have committed a "breach" for the purpose of Rule 5.2. The NZDA Board may deal with such member or members, in its absolute discretion, in accordance with paragraph (b) below.
- (b) The NZDA Board shall apply the dispute resolution procedure regarding complaints and appeals set out in Schedule 3.

- 5.4 Members may not call or hold a meeting with the object of disaffiliation of their Branch from the Association when an action or processes under Rule 5 have commenced.
- 5.5 Any member subject to a process under Rule 5.3 is disqualified from being a delegate of a Branch at Conference and has no vote. The Secretary of the applicable Branch will be notified so the Branch may, if it desires, appoint a new delegate.

- 6.1 Formal affiliation of any other like-minded Incorporated Society to the Association will be carried out as soon as practicable following the granting of approval by a general meeting.

- 8.2 Where the constitution or by-laws of a Branch provide for a right of appeal for decisions then that process must have been completed prior to appealing to the Association under this Rule 8.
- 8.3 Following receipt of a written request for an appeal of a final Branch decision, the National Secretary will promptly refer the matter in dispute to an appeal committee formed of no less than 3 members of the NZDA Board (the "**Appeal Committee**"), none being from the relevant Branch. The Appeal Committee will fix a date (which must be as soon as reasonably practicable) for the hearing and notify the parties, the National Secretary, and the relevant Branch Secretary.
- 8.4 The appeal shall be by way of a hearing and the Appeal Committee shall hear the facts and be presented with all relevant evidence (which may be oral or in writing).
- 8.5 The member is entitled to plead and give evidence. An officer of the Branch is entitled to give evidence to explain the basis of the decision of the Branch and Branch's applicable policy. The National Secretary, the Chief Executive or a member of the NZDA Board may give evidence as to the Association's applicable policy on the subject matter. - 8.6 The decision of the Appeal Committee must be in writing containing reasons and delivered to the NZDA Board, the Branch and the member.
- 8.7 The Appeal Committee's decision is final and binding.

## 9 SUBSCRIPTIONS AND LEVIES

- 9.1 **Fees:** Each member must pay the applicable annual membership fee for their class of membership (the "**annual subscription fee**"). The annual fee comprises of:
  - (a) the Association component, as set at Conference or annual general meeting of the Association (the "**capitation**");
  - (b) the relevant Branch's component, as set pursuant to the Branch's rules and constitution, (the "**subscription**"); and
  - (c) any levies imposed in accordance with this Constitution.
- 9.2 New members may pay an initial annual membership fee for their first year of membership adjusted by reference to the month of application (inclusive of that month) calculated using the Association's financial year. Levies will not be adjusted or apportioned.

- 9.3 At a general meeting or Conference the annual capitation shall be set, and all Branches and members must be promptly notified of the rate of the capitation payable to the Association out of annual subscription fees received by the Association or Branches, as applicable, from its members for the 12 months commencing on the 1<sup>st</sup> of March following Conference or general meeting.
- 9.4 The financial year of the Association shall end on the last day of February each year (the **Balance Date**).
- 9.5 The financial year of Branches shall be fixed by the Branches, but to the extent practicable should end on the last day of February each year.
- 9.6 *Levies:* Delegates or eligible persons at a general meeting may vote to impose a levy or levies for any general or special purpose which shall be binding on all Branches and members, provided it is approved by a vote of 2/3<sup>rds</sup> of Delegates in attendance.
- 9.7 The NZDA Board has the power, in its sole discretion and opinion, to impose a mandatory levy on each Branch in case of extreme emergency and importance to the Association. The levy (or if more than one levy is raised, the aggregate of all levies for a financial year) must not exceed 20% of capitation in any financial year for every financial member of the Association as at the date of imposing the mandatory levy or levies.
- 9.8 All levies are payable (either in full or by instalment, if directed) to the Association on the day fixed for payment by the NZDA Board.
- 9.9 The NZDA Board may on such grounds as it thinks fit remit the whole or any part of any capitation fee or levy, or grant further time for payment thereof (or part thereof).
- 9.10 *Receipt, notice, and reconciliation of subs:* Branches will receive from the Association their applicable Branch subscription component of the annual subscription fee or may (after payment to the Association of the amount of due capitation fees) retain the balance of the amount of annual subscription fees received by them for their own use respectively.
- 9.11 If the Branch subscription fee is not fixed in respect of any financial year and, if applicable, not notified to the Association, the rate will remain unchanged.
- 9.12 Branches that are not using the Centralised Administration System and that administer their own annual subscription fees of their members, must on receiving subscriptions for any financial year credit the Association in its books of account with the amount of the capitation fees payable out of the annual subscription fees, at the rate fixed for the year, and the credit shall remain until the Association receives payment from the Branch.
- 9.13 If annual subscription fees are received by a Branch before the capitation fee has been fixed the Branch shall credit the Association with an

amount equivalent to the capitation fee at the rate last fixed. Any necessary adjustment shall be made in its books when the capitation fee is notified to Branches and members during the current financial year.

- 9.14 A Branch, on receiving any arrears of subscriptions, must pay to the Association the amount of the capitation fee payable out of such arrears at the appropriate rate or rates for the financial year or years in respect of which the arrears were owed.
- 9.15 Branches not on the Centralised Administration System must on the 15<sup>th</sup> day following the close of each quarterly period, calculated from the end of the financial year of the Branch, pay to the Association the total amount of the capitation fees payable out of subscriptions received by it for the then previous quarter so that the total amount payable to the Association equals the total number of financial members (excluding Honorary members) appearing on the register of members.
- 9.16 Branches using the Centralised Administration System will receive an invoice for the capitation fee in respect of Honorary Branch members and Branch Life members, according to their class of membership (i.e. Senior or Superannuant).
- 9.17 *Reporting:* Each Branch must, by no later than the 15<sup>th</sup> day following its annual general meeting, deliver to the Association a copy of its annual report and annual financial accounts.
- 9.18 Branches not using the Centralised Administration System must, by no later than 15 April each year, forward to the Association a return detailing its members as at 28 February of each year. The report must:
  - (a) identify the membership class of all Branch members;
  - (b) show the total number of members in each category gained and lost during that year; and
  - (c) detail the actual subscription received from each class of member for that financial year.
- 9.19 *Unfinancial Branches:* A Branch that is 3 calendar months in arrears is deemed to be "unfinancial". For so long as a Branch is unfinancial its officers and Delegates are not entitled to take part in any proceedings or exercise any voting power at any general meeting or Conference.

## 10 CONFERENCES AND GENERAL MEETINGS

- 10.1 General meetings and Conferences are subject to the terms of the following provisions. The annual general meeting of the Association is known as the Association's "**Conference**". The NZDA Board may hold separate annual general meetings and conferences during a year at its discretion.

10.2 The annual general meeting of the Association must be held each year following the Association's financial year end (i.e. the last day of February) by no later than the month of July.

10.3 A general meeting may be held by a quorum:

- (a) being assembled together at the place, date and time appointed for the meeting; or
- (b) participating in the meeting by means of audio, audio and visual, or electronic communication; or

and no matter or question can be passed by written resolution in lieu of a general meeting.

10.4 A Committee and any Branch may bring matters or questions forward for discussion by way of remit or notice of motion in accordance with this Rule 10.

10.5 Any person desiring to table matters or questions for discussion must give 63 days' notice in writing to the Association.

10.6 The National Secretary or Chief Executive must, at least 28 days prior to Conference or a general meeting, send to all Branches an agenda setting out the matters to be considered, including notice of Disclosures, all reports from committees appointed by a general meeting or NZDA Board to be considered at Conference or a general meeting, and these shall be taken as read. This document is referred to as the **"Conference Handbook"**.

10.7 Unless a matter has been notified to Branches at least 28 days prior to the general meeting then it may not be put to a vote, except as a recommendation to the NZDA Board, unless the Chair of the meeting reasonably determines that:

- (a) the matter is not contentious; or
- (b) although the time limit may not have been strictly observed, nevertheless, all Branches have had an opportunity to properly consider the matter.

10.8 Matters are either a **"Notice of Motion"** or **"Remit"** and are subject to the following categories and corresponding voting thresholds:

The meeting shall be held not later than 3 months after the date of receipt of the requisition.

10.15 Fourteen days' notice specifying the place, day and time of a special general meeting and its purpose must be given in writing to every Branch and member, but if that notice is not given through mistake or oversight the proceeding shall not be deemed invalid.

The demand of a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.

- 5 Except to the extent the Constitution expressly requires otherwise, any business (whether on the agenda or order paper or not) may be transacted at any meeting and, failing any decision of the chair to the contrary, shall be taken in the order in which it appears on the agenda or order paper. The meeting may resolve to alter the order.
- 6 Where the ruling of the Chair of the meeting is challenged, the challenge must be seconded. The member raising the challenge may speak and the Chair has a right of reply. The matter shall then be put to a vote without further debate. A challenge not seconded shall lapse.
